Date of Information Release: July 04, 2026

We, Go Dang Joint Stock Company - Vinh Long Branch, as an aquafeed manufacturer, hereby commit to complying with the requirements of the ASC Feed Standard – Version 1.0, Principle 5 – Responsible sourcing of plant ingredients.

We publicly commit that all plant ingredients (belonging to Groups 1–3) used in aquafeed production at our facility originate from supply chains that are:

- Deforestation-free, and
- Conversion-free regarding natural ecosystems.

The cut-off date applicable to this commitment is: **December 31, 2020** – the release date of the ASC Feed v1.0 standard.

We acknowledge our responsibility in mitigating the environmental impact of the agricultural sector, particularly regarding the use of high-risk raw materials such as soybean and palm oil, and we commit to supporting suppliers toward supply chain transparency and improvement.

We will publish a detailed action plan to fulfill this commitment, including risk verification measures, prioritizing compliant suppliers, and supporting roadmap improvements.

We commit that all the above information is truthful, accurate, and that supporting documentation can be provided upon request from customers, certification bodies, or state authorities.

Sincerely,

July 04, 2026
